### Clubhouse ConnectClip™

With the Clubhouse ConnectClip™ system you get a fastener that goes down fast and leaves the deck surface unmarred.

- Ideal for main decking areas
- Two packaging options:
  - 50 sq. ft. of individual hand driven screws
  - 300 sq. ft. of collated pneumatic scrails, for use with Tiger Claw pneumatic installation gun

### Cortex® Hidden Fasteners

Perfect for stairs, perimeter boards and hard to reach areas, Cortex® plugs blend seamlessly.

- Made from color matched Clubhouse stock
- Available in all 10 Clubhouse decking colors
- 100 lineal foot package

### CAMO® Fasteners

Easy to use, easy to learn — so you can get the job done and move on.

### CAMO® LEVER Deck Tool

Speeds up grooved deck installation by locking in several rows of boards and clips at a time, keeping them perfectly straight.

### CAMO ClipDRIVE® Fastening Tool

Streamline deck installations with ease and speed. Height-adjustable, compatible with standard drills, and suitable for professional and DIY deck builders.

### Tiger Claw Pneumatic Installation Gun

Screw nail through the clip into the joist with perfect placement and secure deck boards in one motion. Complete up to 400 sq ft of decking per hour. Suitable for all skill levels.
